

## For You

Sharon Van Etten

I was walking up the street  
I was thinking about my dreams that might come true  
With you

I was whispering in my sleep  
All the secrets that I keep I told to you  
I do, I do, I do, I do  
I do, I do, I do, I do

I was running home to you  
I was hoping that you knew I'd wait for you  
I do, I do  
I'd wait for you  
I do, I do  
I'd wait for you  
I do, I do  
I'd wait for you  
But you knew  
You knew you knew you knew
