

I Wish I Knew

Sharon Van Etten

I wish I knew what to do with you,
But the truth is I ain't got a clue,
Do you? Do You?

I wish I had an idea of what I need,
But we, oh we, can't know and that's okay,
That's okay.

I wish you'd understand,
I wish that I could know,
The truth is I have no idea.

I wish we could just run around
And only worry about right now,
I hate to admit it but I don't know shit
And neither do you, do you, do you,

And that is good enough
For me, for you, for now,
As long as we can talk about it.
