

In The Bleak Midwinter

Shawn Colvin

In the bleak midwinter
Stormy winds may blow
Earth too hard as iron
Water like a stone
Snow had fallen snow on snow
Snow on, snow on, snow
In the bleak midwinter
Long, long ago

What can I give him
Poor as I am
If I were a shelter
I would bring a lamb
If I were a wise man
I would do my part
What can I give him
Give my heart

Snow had fallen snow on snow
Snow on, snow on, snow
In the bleak midwinter
Long, long ago
