

## Satin Sheets

Shawn Colvin

I wish I was a millionaire  
I'd play rock music and grow long hair  
Tell you boys  
I'd buy a new Rolls-Royce

Pretty people come to me  
I'd give 'em all the third degree  
I'd give 'em satin sheets  
And keep 'em off the streets.....  
Hallaleulah - What's it to ya'?  
Praise the Lord and pass the mescaline  
Praise Jehovah  
And He'll come over  
As soon as you see me  
Boogie-woogie across the silver screen.....

I hang 'em high I hang 'em low  
I put 'em on the ceilings wherever I go  
And they swing all the night  
From the rafter light

Hallaleulah - I'm gonna sock it to ya  
You got your coffee, me, I've got my spanish tea  
Praise Jehovah - Maybe He'll come over  
As soon as you see me playin' my calliope

I wish I was a millionaire  
I'd play rock music and grow long hair  
Tell you boys - I'd buy a new Rolls-Royce
