

In over My Head

Shawn Hook

I'm in over my head with you
And I've got so much to lose
You've got the purest stuff
You know that I'm caught up
I'm in over my head with you

I'm in over my head with you
Losing grip I'm falling through
Oh, I just can't keep up
I'm running out of luck
I'm in over my head with you

(I'm in over my)

I've been burning the night at both ends
At the top of the ride, never let
Coloured smoke, I can't let go
You are feeling too hot to handle
Holding on to a roman candle
About to blow, I can't let go

(I'm in over my)

I've never seen this view before
I can walk through any door
You're a superhuman kick
My confidence is lit
Every note's a power chord
No, I don't know how this can last
Watch me, burning through my cash
I'm feeling such a rush
I know that I'm messed up
Just trying to make a moment last

I've been burning the night at both ends
At the top of the ride, never let
Coloured smoke, I can't let go
You are feeling too hot to handle
Holding on to a roman candle
About to blow, I can't let go

(I'm in over my)

(I'm in over my)

I've been burning the night at both ends
At the top of the ride, never let
Coloured smoke, I can't let go
You are feeling too hot to handle
Holding on to a roman candle
About to blow, I can't let go

(I'm in over my)
