

## All I Need

Shawn McDonald

As I sit here and think  
About all that You've done  
About how You gave me Your one and only Son  
And I'm trying to fathom  
All that You are, but so far, Lord  
You're so beyond me  
I fall down in reverence  
And I fall down in fear  
And I'm asking You, Lord, won't You please draw near  
Won't You open my eyes  
So that I can see  
The way that You are working in me  
All I need is Your love  
To come and fill this heart of mine  
My heart is a desert that has gone dry  
And I need Your love to carry me bye, bye, bye, bye, bye  
To carry me bye, bye, bye, bye, bye  
To carry me bye  
And I lay down my life  
And I put it before You  
All that I am is in Your hands  
And I'm not going to question, why You're so faithful  
Why that You give me the blessing that You have  
Let the glory be known, let the glory be shown  
Lift You up unto the throne  
You are my God, You are my King  
To You I give, I give You everything  
All that I need is Your love, my God
