

# Hope

Shawn McDonald

You are a lighthouse when I'm lost at sea  
You are the language that I'm trying to speak  
You are the taste that keeps me thirsting  
You are the courage running through my veins  
You are the compass pointing to a better way  
And You are the whisper beckoning me

[Chorus]

Hope is rising  
Hope is on the move  
In the air and on the ground  
In my head and all around  
Hope is rising

You are infectious, You're spreading through me  
And You are the melody that I want to sing  
You are the tempo beating within my chest

[Chorus]

Hope is rising  
Hope is on the move  
In the air and on the ground  
In my head and all around  
Hope is rising

[Bridge]

It is rising, it is rising, it is rising up [x2]  
Hope is on the move

[Chorus]

Hope is rising  
Hope is on the move  
In the air and on the ground  
In my head and all around  
Hope is rising
