

On this journey home  
I will walk Your road  
I will not turn 'round  
For another

Make my pathway straight  
Into heaven's gates  
I will not turn 'round  
For anoter

Lord, it's Your renown  
Your eternal fame  
That I live for now  
It's Your name  
It's Your name  
For Your name

In my heart I'm sure  
I'm completely Yours  
I will not bow down  
For another

Trade my selfishness  
For Your holiness  
I will not bow down  
For another

When my sun goes down  
And the dark surrounds  
I will not cry out  
For another
