

Learning How To Lose

Shawn McDonald

Said a lot of words
Cried a lot of tears
Too many years
I've been running

Holding onto pride
Living out of fear
If I stay here
I'll start crumbling

Nothing left to say and nothing left to prove
Hearts get rearranged but can't escape the truth
A life of letting go is always hard to choose
'Cause learning how to love is learning how to lose

Spending all my days
Trying to get it right
Putting up a fight
It's just not worth it

I could never fix
What I can't break
What's it going to take
It's just not working

Nothing left to say and nothing left to prove
Hearts get rearranged but can't escape the truth
A life of letting go is always hard to choose
'Cause learning how to love is learning how to lose
'Cause learning how to love is learning how to lose

And holding on to all the hurt and bitterness inside
Only leaves you lonely like a fading star at night
So open up your eyes

Nothing left to say and nothing left to prove
Hearts get rearranged but can't escape the truth
A life of letting go is always hard to choose
'Cause learning how to love is learning how to lose
'Cause learning how to love is learning how to lose
'Cause learning how to love is learning how to lose
