

# Perfectly Done

Shawn McDonald

Hey, little sister  
Why do you cry?  
Holdin' your head so low  
May I ask you why?

And don't you know that He loves you?  
And don't you know that He cares?  
And He will never leave you, no  
And never leave you there

'Cause you are perfect  
You are perfectly, perfectly done

And hey, little brother  
I know life has been rough  
But I believe in you  
'Cause in God, you are tough

You must stand tall  
And leave it all  
Never let this whole world  
Take away your soul

'Cause you are perfect  
You are perfectly, perfectly done  
You are perfect, yes, you are perfectly done
