

# Your Love Is Saving Me

Shawn McDonald

You're the cure to the pain  
You're the heart when I am frail  
You're the life in my veins, the air that I exhale  
You're the reason that I am breathing  
The reason that I have this life within my lungs  
You're the reason that I'm running  
The reason that I'm running  
The reason that I'm running home

Your love was my departure into the great unknown  
You are my hearts contender  
You are my home

Your love is saving me  
Your love is the air I breathe  
Your love consumes my soul  
Your love is bringing me home

You're the train on the track  
You're the parachute when I fall  
You're the wind at my back when I soar like a cannon ball  
You're the melody I'm singing, the melody I'm bringing  
The backbeat of this song  
You're the reason that I'm running  
The reason that I'm running  
The reason that I'm running home

Your love the sweetest venture  
The reason why I roam  
You're heart is my surrender  
You bring me home

Your love is saving me  
Your love is the air I breathe  
Your love consumes my soul  
Your love is bringing me home

Your love  
Your love  
Your love  
Your love  
Is bringing me home

Your love  
You're the train on the track  
You're the parachute when I fall  
Your love  
You're the wind at my back when I soar like a cannon ball  
Your love  
You're the heart when I am frail  
You're the life in my veins, the air that I exhale
