

# A Little Too Much

Shawn Mendes

She would not show that she was afraid,  
But being and feeling alone was too much to face,  
Though everyone said that she was so strong  
What they didn't know is  
that she could barely carry on

But she knew that she would be okay  
So she didn't let it get in her way

Sometimes it all gets a little too much  
But you gotta realize  
that soon the fog will clear up,  
And you don't have to be afraid  
because we're all the same  
And we know that sometimes  
it all gets a little too much

She would always tell herself  
that she could do this  
She would use no help  
it would be just fine  
But when it got hard  
she would lose her focus  
So take my hand and we'll be alright

And she knew that she would be okay  
So she didn't let it get in her way

Sometimes it all gets a little too much  
But you gotta realize  
that soon the fog will clear up  
And you don't have to be afraid  
because we're all the same  
And we know that sometimes  
it all gets a little too much

Yeah  
Little too much  
I said little too much  
Ooh

Sometimes it all gets a little too much  
But you gotta realize  
that soon the fog will clear up,  
And you don't have to be afraid  
because we're all the same  
And we know that sometimes  
it all gets a little too much

Sometimes it all gets a little too much  
But you gotta realize  
that soon the fog will clear up  
And you don't have to be afraid  
because we're all the same  
And we know that sometimes  
it all gets a little too much
