

# Crazy

Shawn Mendes

Think I don't need a watch to tell the time  
Think I don't need the sun to help me shine  
Think I don't need a girl to be alright  
Guess I didn't know

That I didn't need shoes on my feet  
That I didn't need a bed to fall asleep  
That I didn't need love to be complete  
Guess I didn't know

That I just got this crazy feeling  
I've been making someone wait for me, for me

You're all I think about when I'm awake  
Part of every night and every day  
And everything's a mess when you're away  
Now I know

All of this is getting really old  
I'm having trouble sleeping on my own  
Feeling like a house but not a home  
I want you to know

That I just got this crazy feeling  
I've been making someone wait for me, for me

Guess I need a watch to tell the time  
Guess I need the sun to help me shine  
And I really need you in my life  
Now I know

That you give me this crazy feeling  
And you won't have to wait no more for me, for me  
And I just got this crazy feeling  
I've been making someone wait for me
