

No Promises

Shawn Mendes

Staring on my hotel window
Too much on my mind
Maybe we should keep it simple
We don't have to decide
Oh no we don't need to overcomplicate it
Cause I've been here once before don't even say it

Baby please no promises
Cause we won't keep our promises
And I know the consequences
So baby please, baby please no promises

I've never been a fan of heartbreak
So tell me what you want
Take my hands across your body
We don't have to hold on
We don't need to overcomplicate it
Cause I've been here once before don't even say it

Baby please no promises
Cause we won't keep our promises
And I know the consequences
So baby please, baby please no promises

Cause I've been living only for this moment
And I don't wanna let it slip away
I've been living only for this moment
And I don't know how much that I can take

Baby please no promises
Cause we won't keep our promises
And I know the consequences
So baby please (baby please oh yeah),
baby please no promises (baby please no promises)

Yeah, baby please no promises, yeah
Oh baby please no promises
Baby please, baby please no promises
