

You Mean Everything To Me

Shawn Mullins

I've been on the road too long
And Ive been stuck inside a song
and you know our love
has been through rougher weather
but our passion's like a rose
the season's tell it how it grows
and not much compares
to the times we've shared together

cause love
-heals everything
we're no exception
-to the rule
you mean everything
-to me

So if there's anything at all
all you got to do is call
and you know that Ill
drive 2000 miles
Just to show you that I care
Just to kiss your honey hair
and pull you close
and hold you like a child

love
-heals everything
we're
-no exception
--to that rule
you
-mean everything
you
-mean everything
you
-mean everything
--to me
