

# You Mean Everything To Me

Shawn Mullins

I've been on the road too long  
And Ive been stuck inside a song  
and you know our love  
has been through rougher weather  
but our passion's like a rose  
the season's tell it how it grows  
and not much compares  
to the times we've shared together

cause love  
-heals everything  
we're no exception  
-to the rule  
you mean everything  
-to me

So if there's anything at all  
all you got to do is call  
and you know that Ill  
drive 2000 miles  
Just to show you that I care  
Just to kiss your honey hair  
and pull you close  
and hold you like a child

love  
-heals everything  
we're  
-no exception  
--to that rule  
you  
-mean everything  
you  
-mean everything  
you  
-mean everything  
--to me
