Gotta Be Somebody

Shayne Ward

This time I wonder what it feels like To find the one in this life The one we all dream of But dreams just aren't enough So I'll be waiting for the real thing. I'll know it by the feeling. The moment when we're meeting Will play out like a scene straight off the silver screen So I'll be holdin' my own breath Right up to the end Until that moment when I find the one that I'll spend forever with

'Cause nobody wants to be the last one there. 'Cause everyone wants to feel like someone cares. Someone to love with my life in their hands. There`s gotta be somebody for me like that.

'Cause nobody wants to do it on their own And everyone wants to know they're not alone. There's somebody else that feels the same somewhere. There's gotta be somebody for me out there.

Tonight, out on the street out in the moonlight And dammit this feels too right It's just like Deja Vu Me standin' here with you So I'll be holdin' my own breath Could this be the end? Is it that moment when I find the one that I'll spend forever with?

'Cause nobody wants to be the last one there 'Cause everyone wants to feel like someone cares. Someone to love with my life in their hands. There's gotta be somebody for me like that.

'Cause nobody wants to do it on their own And everyone wants to know they're not alone. There's somebody else that feels the same somewhere There's gotta be somebody for me out there.

You can't give up! Lookin' for that diamond in the rough You never know but when it shows up Make sure you're holdin' on 'Cause it could be the one, the one you're waiting on

'Cause nobody wants to be the last one there. And everyone wants to feel like someone cares. Someone to love with my life in their hands. There has gotta be somebody for me Ohhhhhh.

Nobody wants to do it on their own And everyone wants to know they're not alone. Is there somebody else that feels the same somewhere? There's gotta be somebody for me out there.

Nobody wants to be the last one there 'Cause everyone wants to feel like someone cares. Is there somebody else that feels the same somewhere? There has gotta be somebody for me out there.
