Someone to Love

Shayne Ward

```
Finally
She came along
Broke the spell
And set me free
Push aside
What use to be
All the broken hearted man that once was me
I never gave it up
I always believe
When shes in my arms i no what i achieve

So hear my lonelyness
Im giving up on you
I dont need you anymore
Ive found what i been lookin for
So hear my emptyness
Ive got no room for you
Ive finally found what ive been dreamin of
Someone to love

Heyyy
Cos i was lost
I was down and out
Untill that day
I knew what my life was all about
Still wonder how
She came my way
Shes the reason im smiling here today

So hear my lonelyness
Im giving up on you
I dont need you anymore
Ive found what i been lookin for
So hear my emptyness
Ive got no room for you
Ive finally found what ive been dreamin of

Someone to love
To hold
To be my inspiration
Someone to touch, to cherise for life

So hear my lonelyness
Im giving up on you
I dont need you anymore
Ive found what i been lookin for
So hear my emptyness
Ive got no room for you
Ive finally found what ive been dreamin of
Someone to love

Someone to love

Oh baby

So hear my emptyness
Ive got no room for you
```

Ive finally found what ive been dreamin of
Ive finally found what ive been dreamin of
Someone to love
Someone to love
