

# Until You

Shayne Ward

Baby life was good to me  
But you just made it better  
I love the way you stand by me  
Thought any kind of weather  
I don't wanna run away  
Just wanna make your day  
When you feel the world is on your shoulders  
Don't wanna make it worse  
Just wanna make us work  
Baby tell me I will do whatever

R: It feels like nobody ever knew me until you knew me  
Feels like nobody ever loved me until you loved me  
Feels like nobody ever touched me until you touched me  
Baby nobody, nobody, until you

Baby it just took one hit of you now I'm addicted  
You never know what's missing  
Till you get everything you need, yeah  
I don't wanna run away  
Just wanna make your day  
When you feel the world is on your shoulders  
Don't wanna make it worse  
Just wanna make us work  
Baby tell me, I'll do whatever

R:

See it was enough to know  
If I ever let you go  
I would be no one  
Cause I never thought I'd feel  
All the things you made me feel  
Wasn't looking for someone until you

R: (2x)

Nobody, nobody, until you
