

Change Is Hard

She & Him

I'm all out of luck but what else could I be?
I know he's yours and he'll never belong to me again
I did him wrong
So don't brag
Keep it to yourself
I did him wrong

I was never, no I was never, no I was never enough
But I can try, I can try to toughen up
I listened when they told me if he burns you let him go
Change is hard I should know

So I'll keep my head down if you keep it quiet from now on
In the halls I'd rather hear silence
Than the bells of new love
So don't brag
Keep it to yourself
I did him wrong

I was never, no I was never, no I was never enough
But I can try, I can try to toughen up
I listened when they told me if he burns you let him go
Change is hard
I should know
