Change Is Hard

I'm all out of luck but what else could I be? I know he's yours and he'll never belong to me again I did him wrong So don't brag Keep it to yourself

I did him wrong

I was never, no I was never, no I was never enough But I can try, I can try to toughen up I listened when they told me if he burns you let him go Change is hard I should know

So I'll keep my head down if you keep it quiet from now on In the halls I'd rather hear silence Than the bells of new love So don't brag Keep it to yourself I did him wrong

I was never, no I was never, no I was never enough But I can try, I can try to toughen up I listened when they told me if he burns you let him go Change is hard I should know
