

I Should Have Known Better

She & Him

I shoulda known better with a guy like you
that I would love everything that you do
and I do
hey hey hey and I do

I never realized what a kiss could be
this could only happen to me
can't you see
can't you see

That when I tell you that I love you
you're gonna say you love me too
and when I ask you to be mine
You're gonna say you love me too

I never realized what a kiss could be
this could only happen to me
can't you see
can't you see

That when I tell you that I love you
you're gonna say you love me too
and when I ask you to be mine
You're gonna say you love me too
