

Over It Over Again

She & Him

Why do I always want to sock it to you so hard?
Let you know what love is like when I'm keeping all my cards up
on the shelf
Where you can't see them
Why do I always want to keep it to myself?
Taking advantage only works when you're leaving someone else out
in the dark
I didn't mean to

Running away from you
Is just like running a business
And I'm keeping up with the games you play
Every day
I've gotten over it over and over again
I've gotten sick of it, a lick of it will suck me back in

Running away from you
Is just like running a business
And I'm keeping up with the games you play
Every day
I've gotten over it over and over again
I've gotten sick of it, a lick of it will suck me back in
