

A Little Bit Harder Now

She Wants Revenge

You're such a bad girl
Everyone talks about
The things you do, you're just no good
You're just a bad girl
Shame how you walk around
As if you're so misunderstood

And though I try try try
To get you out of my mind
You just find another way back in way back in
And it's a crime crime crime
How you treat me like this
But still you end up underneath my skin

Take me down
A little bit harder now
Down to the dance floor
A little bit harder now
Love me like you mean it
A little bit harder now
Love me up and down
A little bit harder now

Ooooh, why you look so down, girl?
Told you I wanted you
Did the things you asked me to.
Why you look so down, girl?
Now you got feelings, right?
Usually you're just so cruel just so cruel

And though I try try try
To keep my cool every time
It's such a struggle not to lose my head lose my head
And it's a crime crime crime
How you speaking to me
But still you end up back inside my bed

Take me down
A little bit harder now
Down to the dance floor
A little bit harder now
Love me like you mean it
A little bit harder now
Love me up and down
A little bit harder now

Gotta get this right tonight
Oh, gotta get you closer
Gotta get this right tonight
Oh, gotta get you closer
Gotta get this right tonight
Oh, gotta get you closer
Gotta get this right tonight
Oh, gotta get you closer

Take me down
A little bit harder now

Down to the dance floor
A little bit harder now
Love me like you mean it
A little bit harder now
Love me up and down
A little bit harder now

Take me down
A little bit harder now
Down to the dance floor
A little bit harder now
Love me like you mean it
A little bit harder now
Love me up and down
A little bit harder now
