

Must Be the One

She Wants Revenge

I promised you romance, and a safe place to hide
Told you I'd give you everything, always stand by your side
I'd break all my promises if you'd just say we're not done
'Cause you must be the one

I could tell when you walked in, the scent of your clothes
Now you say you met someone, want to see how it goes
But it don't have to end now, you and I were not done
'Cause you must be the one

And I don't want you to walk away
You must be the one She says I don't need anyone, no I don't need anyone
But you

Said you're sticking around now, it was all a mistake
Though my heart is resilient there's only so much I can take
It's out in the open, and the damage is done
Still you must be the one

And I don't want you to walk away
You must be the one She says I don't need anyone, no I don't need anyone
But you

You must be the one
So I'll say goodbye
She says I don't need anyone, no I don't need anyone But you
