

## Red Flags and Long Nights

### She Wants Revenge

Sick of trying to find a way inside  
Sick and tired of all the after  
Sick of trying to find a way to slide  
Even though it always ends in laughter  
Its never hard to tell when things are done  
She looked into my eyes and a voice said RUN  
She says that im a mess but its alright  
Whether its 2 weeks, 2 years or just tonight

You can occupy my every sigh,  
You can rent a space inside my mind  
At least untill the price becomes too? HIGH

I can find a reason that we should quit  
I can find a reason to do it  
I can find excuses for all my shit  
She tells me just to work right through it

Shes pretty and I like her but shes too well  
Cuz I need red flags and long nights and she can tell  
Its not that its my fault its just my style  
Beginning with a look and then a smile

You can occupy my every sigh,  
You can rent a space inside my mind  
At least untill the price becomes too ? HIGH

She don't need a thing, she don't need saving or a lay  
Shes got all the friends around and you can hear them say:  
Hes not into you hes into the idea of?  
But little do they know that shes not through

You can occupy my every sigh,  
You can rent a space inside my mind  
At least untill the price becomes too ? HIGH
