

## Mark

Shed Seven

Mark my words:

Don't forget where you are  
Don't forget who's the star  
Do you think that I'll go far

Mark my words:

Don't stop if it's wise  
I can see through your eyes  
And I've left my mark  
Lover  
I want to swap you for another and another  
We could mate, we'll make great lovers

Mark my words:

Don't forget who I am  
Don't forget I'm a man  
Do you think you ever can

Mark my words:

I think it's probably true  
Why you think like you do  
And I've left my mark forever  
Lover  
I want to swap you for another and another  
We could mate, we'll make great lovers
