

## 23 Days

SHeDAISY

My name looks unfamiliar on this barky marky sign  
And the love that I've been gettin' I can't really call it mine  
This blacktop ribbon winds me down an unforgivin' road  
When I think about my baby on the other side of home  
I say oh, oh-oh-oh, oooh, I gotta go  
I say oh, oh-oh-oh, oooh

Hey, hey, hey, on my way  
23 days gone by, why can't eagles fly  
Hey, hey, hey, love don't break  
23 nights of blue carry me back to you  
Yeah

Another song gets crippled on this napkin in my lap  
As we burn another circle on this god forsaken map  
The droaning of the engines and the moaning of the wheels  
It's a fortuneteller's melody, it's how you make me feel  
I say oh, oh-oh-oh, oooh, I gotta go  
I say oh, oh-oh-oh, oooh

Hey, hey, hey, on my way  
23 days gone by why can't eagles fly  
Hey, hey, hey, love don't break  
23 nights of blue carry me back to you

Whoa, whoa, whoa, whoa

Yeah, Albuquerque's never felt colder  
One mile higher all the way to Boulder  
Okalahoma City always looks pretty  
'Cause it's half way home  
Yeah, windshield wipers, broken white lines  
Lord, don't let me loose my mind  
'Cause 23 days of Tennessee time  
And I'm back to you

Ooooh, oh-oh-oh, oooh, yeah, yeah, yeah

Hey, hey, hey, on my way  
23 days gone by why can't eagles fly  
Hey, hey, hey, love don't break  
23 nights of blue carry me back to you  
Whoa-oh, whoa-ooooh  
Whoa-oh, whoa-ooooh, oh  
Whoa-oh, whoa-ooooh  
Whoa-oh, whoa-ooooh, yeah
