

# Knock On The Sky

SHeDAISY

What's up with the current innuendo  
Buzz around into a fevery crescendo  
You'll never  
You can't  
Why does everybody fear  
What they don't understand

Stand up and listen to the sister, mister  
Been around here long enough  
We're strong enough  
We're gonna sing the song enough  
To shake this institution  
It's a SHE-volution

Can't (can't) just flyby  
Gotta knock, knock on the sky  
We can't (can't) just flyby  
Gotta knock, knock on the sky

Who cares about the popular affliction  
The dull-headed, brain-dead corny contradiction  
Well you know we're gonna say  
Just what we're gonna say

Hey now before you do or die us  
Try us  
So what if we wear parachutes or jacket boots  
At least we're fully resolute  
To use imagination  
To try and move a generation

Can't (can't) just flyby  
Gotta knock, knock on the sky  
We can't (can't) just flyby  
Gotta knock, knock on the sky

Sane or erratic  
Mundane or dramatic  
Just do what you do what you do me and you  
To thine ownself be true

Can't (can't) just flyby  
Gotta knock, knock on the sky  
We can't (can't) just flyby  
Gotta knock, knock on the sky
