

Foolish Heart

Sheena Easton

I need a love that grows
I don't want it unless I know
But with each passing hour
Someone, somehow
Will be there, ready to share

I need a love that's strong
I'm so tired of being alone
But will my lonely heart
Play the part
Of the fool again, before I begin

Foolish heart, hear me calling
Stop before you start falling
Foolish heart, heed my warning
You've been wrong before
Don't be wrong anymore

Feeling that feeling again
I'm playing a game I can't win
Love's knocking on the door
Of my heart once more
Think I'll let him in
Before I begin

Foolish heart
Foolish foolish heart
You've been wrong before
