

I'm In The Mood For Love / Moody's Mood For Love

Sheena Easton

There I go, there I go, there I go, there I go
Pretty baby you are the soul, snaps my control
Such a funny thing but everytime your near me
I never can behave
You give me a smile and I'm wrapped up in your magic
There's music all around me
Crazy music, music that keeps calling me so
Very close to you, turns me into your slave
Come on and do with me any little thing that you want to
Anything, baby just let me get next to you

Am I insane or do I really see heaven in your eyes?
Bright as stars that shine up above you
In the clear blue skies, how I worry bout you
Just can't live my life without you
Baby come here, don't have no fear
Oh, is there wonder why
I'm really feeling in the mood for love

So tell me why, stop to think about this weather, my dear
This little dream might fade away
There I go I'm talking out of my head again baby won't you
Come and put our two hearts together
That would make me strong and brave
Oh, when we are one, I'm not afraid, I'm not afraid
If there's a cloud up above us
Go on and let in rain
I'm sure our love together would endure a hurricane
Oh my baby won't you please let me love you
And give me release from this awful misery

Why stop to think of whether
This little dream might fade
We'll put our hearts together
Now we are one, I'm not afraid
If there's a cloud above, ooh
If it should rain we'll let it
But for tonight forget it
I'm in the mood for love

Ooh baby, you make me feel so good
Let me take you by the hand
Come let us visit out there
In that new promised land
Maybe there we can find a good place to use our loving state of mind
I'm so tired of being without it
Never knowing what love is all about
James moody you can come on in and you can
Blow now if you want to... we're through
