

# Love And Affection

Sheena Easton

I am not in love, but I'm open to persuasion  
East or west, where's the best for romancing?  
With a friend I could smile, but with a lover I could hold my head back  
Really laugh, really laugh  
Thank you, you took me dancing 'cross the floor, cheek to cheek  
But with a lover I could really move, really dance, really dance, really move  
If I can feel the sun in my eyes and the rain on my face, why can't I feel

Chorus:

Love and affection, sing me another love song  
But this time with a little dedication, sing it, sing it  
You know that's what I want, love, ooh-  
whoo, once more with feeling  
With friends I still feel so insecure  
Little darling I believe you could help me a lot  
Just take my hand and take me where you will  
No conversation, no wave goodnight  
Just give me love, make - chorus  
Give me love, give me love... love... ooh  
Give me - chorus  
Give me love, make love with affection, sing me another love song  
But this time with a little dedication, sing it, sing it  
You know that's what I like, love oo-  
whoo! Make love with affection  
Give me love, gimme gimme gimme gimme love, ooh, give me love,  
give me love
