

Love And Affection

Sheena Easton

I am not in love, but I'm open to persuasion
East or west, where's the best for romancing?
With a friend I could smile, but with a lover I could hold my head back

Really laugh, really laugh

Thank you, you took me dancing 'cross the floor, cheek to cheek
But with a lover I could really move, really dance, really dance, really move

If I can feel the sun in my eyes and the rain on my face, why can't I feel

Chorus:

Love and affection, sing me another love song

But this time with a little dedication, sing it, sing it

You know that's what I want, love, ooh-
whoo, once more with feeling

With friends I still feel so insecure

Little darling I believe you could help me a lot

Just take my hand and take me where you will

No conversation, no wave goodnight

Just give me love, make - chorus

Give me love, give me love... love... ooh

Give me - chorus

Give me love, make love with affection, sing me another love song

But this time with a little dedication, sing it, sing it

You know that's what I like, love oo-

whoo! Make love with affection

Give me love, gimme gimme gimme gimme love, ooh, give me love,
give me love
