

Never Can Say Goodbye

Sheena Easton

I never can say goodbye
I never can say goodbye
Everytime I think I've had enough
And start heading for the door
There's a very strange vibration
Piercing me right to the core
It says turn around you fool
You know you love him more and more
Tell me why is it so
Don't wanna let you go

Hey, I never can say goodbye boy
I never can say goodbye, no, no, no

I never can say goodbye
I never can say goodbye
I keep thinking that our problems
Soon are all gonna work out
But there's that same unhappy feeling
There's that anguish, there's that doubt
It's that same old dizzy hang up
I can't do with you or without
Tell me why is it so
Don't wanna let you go

Hey, I never can say goodbye boy
I never can say goodbye, no, no, no

Hey, don't you make me say goodbye
