

Our House

Sheena Easton

I'll light the fire
You place the flowers in the vase
That you bought today
Staring at the fire
For hours and hours
While I listen to you
Play your love songs
All night long for me
Only for me

Our house is a very, very fine house
With two cats in the yard
Life used to be so hard
Now everything is easy
'cause of you

Ooh-wa la la la la la la

I'll light the fire
You place the flowers in the vase
That you bought today

Come to me now
And rest your head for just five minutes
Everything is good
Such a cosy room
The windows are illuminated
By the sunshine through them
Fiery gems for you
Only for you
