

# When He Shines

Sheena Easton

This mans a child, this man is old  
Sometimes hes mild, sometimes hes bold  
This man I love, sometimes in spite  
I wish he would stick to his guns, or abandon the fight

But when he shines, oh when he shines  
Yes when he shines, he shines so bright

Sometimes a tramp, sometimes a dude  
He changes colour just like a chameleon, cant find the mood  
He is a song that's not easy to write  
He is a moon in the morning, and the sun out at night

But when he shines, when he shines, oh when he shines, he shine  
s so bright

This mans a gentleman, this man is strong  
This temperamental man plays me along

But when he shines, when he shines, oh when he shines, he shine  
s so bright  
Yes when he shines, when he shines, oh when he shines, he shine  
s so bright

(Instrumental break)

But when he shines, oh when he shines  
Yes when he shines, he shines so bright
