

# Holly Rock

Sheila E.

Rock, rock, holly rock  
Everybody wanna holly rock  
Rock, rock, holly rock  
Everybody wanna holly rock  
Say it!

(Rock, rock, holly rock  
Everybody wanna holly rock  
Rock, rock, holly rock  
Everybody wanna holly rock)

Somebody

There's a way to say it  
Horns!  
Ah

Come on over, baby, and take the puck  
A funky little thing called holly rock  
It might be a dance, it might be a song  
It might have you rockin', baby, all night long

Anybody want the holly rock  
Take a little pick, you just can't stop  
It's bad, good god  
Care for you to turn me out

And all you little birds, gather 'round  
I'm gonna show you what the holly rock's about

(Holly rock)  
(Holly rock) Got to get to get up  
(Holly rock)  
(Holly rock) Aha

Sheila E's my name, holly rock's my game  
I'm funky as I wanna be  
Lyin' up a hundred, I swear to god  
I'm rockin' 'till you just can't see

Mass appeal, a little girl's smile  
I make you happy, baby, all the while  
'Cause I'm bad, good god  
And if you got a big enough stick

Come on over, baby, to the holly rock  
Don't you wanna learn a new trick?

(Holly rock)  
(Holly rock) Got to get to get up  
(Holly rock)  
(Holly rock) Somebody!

Rock, rock, holly rock  
Everybody wanna holly rock, you say it!  
(Rock, rock, holly rock  
Everybody wanna holly rock)

Rock, rock, holly rock  
Everybody wanna holly rock, you say it!  
(Rock, rock, holly rock  
Everybody wanna holly rock)

Look at here

Sheila E's my name, holly rock's my game  
I'm funky as I want to be  
Lyin' up a hundred, I swear to god  
I'm rockin' 'till you just can't see

'Cause I'm bad, good god  
I'm badder than a wicked witch  
I pet to kill, you live a doll too  
Don't you wanna be my bitch?

(Holly rock) Good god  
(Holly rock) Got to get to get up  
(Holly rock) Lord  
(Holly rock) Somebody say

Rock, rock, holly rock  
Everybody wanna holly rock, what?
