

# Feelin' Kind Of Lonely Tonight

Shelby Lynne

I know we both decided it was good for you to go  
A little time apart would tell us what we need to know  
Well, I don't know about you but I'm feelin' kinda lonely tonight

We said we wouldn't talk to one another on the phone  
A little time apart to try to make it on our own  
Well, I don't know about you but I'm feelin' kinda lonely tonight

Maybe it's better, maybe it's not  
Maybe we should look at everything we've got  
Maybe those bad times weren't so bad  
Maybe those sad times weren't so sad

Well, I don't think I like the way this thing is workin' out  
I don't think this pain is what our love is all about  
Well, I don't know about you but I'm feelin' kinda lonely tonight  
Well, I don't know about you but I'm feelin' kinda lonely tonight

Well, I don't know about you but I'm feelin' kinda lonely tonight  
Well, I don't know about you but I'm feelin' kinda lonely tonight  
Well, I don't know about you but I'm feelin' kinda lonely tonight  
Well, I don't know about you but I'm feelin' kinda lonely tonight
