

# I Cry Everyday

Shelby Lynne

Hey Baby  
What's going on with you?  
Hey Baby  
Want to get it on with you.  
I've tried so many nights  
Don't know what to do.  
Hey baby  
Got something to say and it is and it is

I Cry Everyday  
I Cry Everyday I Cry Everyday  
I Cry Everyday

Hey Darling  
Got a little news for you  
Don't need your sympathy  
Just want a little care from you
