

# I Only Want To Be With You

Shelby Lynne

I don't know what it is that makes me love you so  
I only know I never want to let you go  
'Cause you've started something, oh, can't you see  
That ever since we met, you've had a hold on me?  
It happens to be true, I only wanna be with you

It doesn't matter where you go or what you do  
I want to spend each moment of the day with you  
Oh, look what has happened with just one kiss  
I never knew that I could be in love like this  
It's crazy but it's true, I only wanna be with you

You stopped and smiled at me  
And asked me if I wanna date  
And I fell into your open arms  
Oh, and I didn't stand a chance

Now hold on, baby  
I just wanna be beside you everywhere  
As long as we're together, baby, I don't care  
'Cause you've started something, oh, can't you see  
That ever since we met, you've had a hold on me  
No matter what you do, oh, I only wanna be with you

Oh, oh, you stopped and you smiled at me  
And asked if I'd care to dance  
I fell into your open arms  
And I didn't stand a chance

Now listen, honey  
I just wanna be beside you everywhere  
As long as we're together, baby, I don't care  
'Cause you've started something, oh, can't you see  
That ever since we met, you've had a hold on me  
No matter what you do, oh, I only wanna be with you

No matter what you do  
I only wanna be with you
