Restless

Shelby Lynne

Restless, so restless Missin' you a baby Is a makin' me a crazy and blue Restless, so restless Sittin' here wishin' I was huggin' and a kissin' on you

Well, I wake up every hour On the hour every night Countin' down the minutes Til you're here to hold me tight This bed is full of empty When I'm lyin' here alone I got a deep desire Baby come back home

Well, I've walked a hundred miles Pacin' up and down the halls Another pot of coffee and I'm bouncin' off the walls Smokin' like a chimney cussin' up a storm Damn, I need your lovin' Baby come back home

I'm restless, so restless Sittin' here wishin' I was huggin' and a kissin' on you

Sittin' here wishin' I was huggin' and a kissin' on you

Restless, so restless Restless, so restless
