

Swingtown

Shelby Lynne

When it's my time to go
I'll be singin' hi-de-ho
And if I'm truly glory bound
I'll be found in swingtown

If I saw Count and Cab
And met the Duke Man that'd be fad
And when my time rolls around
Just lay me down in swingtown

And let the heavens swing
With all their melodies
Put their names upon a big marquis
And when they need someone
To sing a harmony
If I'm there please let 'em call on me

If I walked up to those pearly gates
And met Bob Wills that'd be great
Tell Ole Satchmo to come around
We'll all get down in swingtown

When it's my time to go
I'll be singin' hi-de-ho
And if I'm truly glory bound
I'll be found in swingtown
