

Track 12

Shelby Lynne

I hear, a voice say "Don't be so blind"
It's telling me all these things
That you would probably hide
Am I, your one and only desire
Am I the reason you breathe
Or am I the reason you cry?

Always, always, always, always, always, always,
I just can't live without you...

I love you
I hate you
I can't get around you.
I breathe you
I taste you
I can't live without you.
I just can't take anymore
This life of solitude,
I guess that I'm out the door
And now I'm done with you.

(Done with you, done with you, done with you, done with you, done with you)

I feel, like you don't want me around
I guess I'll pack all my things
I guess I'll see you around
It's all, been bottled up until now
As I walk out your door
All I can hear is the sound

Always, always, always, always, always, always,
I just can't live without you...

I love you
I hate you
I can't get around you.
I breathe you
I taste you
I can't live without you.
I just can't take anymore
This life of solitude,
I guess that I'm out the door
And now I'm done with you.

I love you
I hate you
I can't live without you.

I left my head around your heart,
Why would you tear my world apart?

Always, always, always, always.

I see, the blood all over your hands
Does it make you feel, more like a man
Was it all, just a part of your plan
The pistol's shakin' in my hands

And all I hear is the sound.

I love you
I hate you
I can't live around you.
I breathe you
I taste you
I can't live without you.
I just can't take anymore
This life of solitude,
I guess that i'm out the door
And now i'm done with you.

I love you
I hate you
I can't live without you.
I love you
I hate you
I can't live without you.
I just can't take anymore
This life of solitude,
I pick myself off the floor,
And now i'm done with you.

Always
Always
Always.
