

## Dog And Pony Show

Shellac

if I could walk, I'd be a miner  
if I could talk, I'd be a preacher

if I was a preacher,  
tell you what: I'd save a million souls - even you  
if I was a miner,  
tell you what: I'd be a damn good one

This ain't (?)  
(?) a joke...  
got us all worked up...  
and left us naked out here in the sun

but who could say it's sad?  
I attach no importance to it,  
just because of my hand,  
just because of my shriveled little hand...  
I could be a baseball player.

doesn't surprise me now,  
even though we had a map,  
took three days to find...  
(?)  
Taylor from Pizmo...
