

## If There's Only Today

Shelter

Here I am, a different man. filled with distractions.  
Became the world that moves right outside my door.  
Make a plan if I can or live with the hand.  
That was dealt after a fair reaction.  
Youæ³e no idea just whataë in store.  
If thereæ only today, tomorrowæ a throw away.  
Youæ³e got something to say, never just throw away.  
Walk along, donæ° be alone, a rolling stone.  
Itæ not, not just today.  
Wasting time, I lost my mind.  
Each day is passing.  
Each moment just makes up the total in the end.  
You sew, you reap, you laugh, you weep.  
Hopeæ it forever lasting.  
Hope itæ not futile in the end.
