I'm gonna give it a chance 'Cause you, you make me smile You make me smile With your loving style And I hope, that you'll be mine For a while With your loving style Da-dah-da-da-da-da Da-dah-da-da-da-da Da-dah-da-da-da-da Da-da-da-da-da Even though your love is pure and sweet I can't wait to get you under the sheets When the day is done, we'll stop and we'll finally Get it o-o-on Ooooh-oooh

'Cause you, you make me smile You make me smile With your loving style And I hope, that you'll be mine For a while With your loving style
