

Bad For Me

Sherrié Austin

I like chocolate
But my hips sure don't
I like drinkin' red wine
But tomorrow my head sure won't
These are just some things I love
That are bad for me

I like shoppin'
But my purse sure don't
I like wearin' high heels
But tomorrow my feet sure won't
These are just some things I love
That are bad for me

But of all the things I shouldn't do
Number one
Is lovin' you
There's a fatal charm
In your faithless arms
Why is everything that feels so dang good
Bad for me?

I like fast cars
But the law sure don't
I like partyin' late
But tomorrow my boss sure won't
These are just some things I love
That are bad for me

I like danger
But common sense sure don't
Tonight I like your sweet lies
But tomorrow my heart sure won't
These are just some things I love
That are bad for me

Oh you're another one of those things I love
But you're bad for me
So bad for me
