

# Naughty Or Nice

Sherrié Austin

Hey there little darling  
It's cold and we've got no place to go  
I can be your Santa  
Come stand under the mistletoe  
I got a feeling it won't take too long  
For me to find out what list you're on

Is it naughty or nice  
Oh you better check it twice  
Says you been bad, bad, bad  
But you do it oh so good  
I just might  
You just might  
Need a little hugging and kissing  
To help me make up my mind  
But I got to say  
I love you either way  
Naughty or nice

Hey there sweet baby  
Come a little closer to me  
Let's get tangled up in tinsel  
Underneath the Christmas tree  
Well there might be a few things I missed  
I better take another look at my list

Oh I gotta say  
I love you either way  
Naughty or nice
