

# Not Gonna Love

Sherwood

Hey!

I am the favorite  
In a fight that I can't win  
So every morning  
I take another on my chin

But I never know, I never know, I never know the round I'm in, yeah

So I'm not gonna love when I know what I've given up  
Not gonna love when I know what I've given up  
Windows open  
Daylight broken  
And I'm not gonna love when I know what I've given up

Could be a warning  
Could be the evidence of grace  
Could be a cold night  
Could be a right hook in the face

And I don't deserve, I don't deserve, I don't deserve to call this place my home  
And I'm getting tired, I'm getting tired of lying down instead of standing on my own

But I'm not gonna love when I know what I've given up  
Not gonna love when I know what I've given up  
Long night, cold room  
Hold tight, blue moon  
And I'm not gonna love when I know what I've given

Hey!  
There's something on my mind  
Something I've been dying to say  
Hey!  
When you've lost so many times  
The old familiar lines start to fade

But I'm not gonna love when I know what I've given up  
Not gonna love when I know what I've given up  
Long night, cold room  
Hold tight, blue moon  
And I'm not gonna love when I know what I've given up

(Windows open)  
(Daylight broken)  
(Windows open)  
(And I'm not gonna love when I know what I've given up)

(Windows, cold room)  
(Hold tight, blue moon)  
(Long night, blue moon)  
(And I'm not gonna love when I know what I've given up)
