

# C'mon C'mon

Sheryl Crow

C'mon, c'mon  
C'mon, c'mon c'mon  
You lay down with angels  
To feel yourself again  
You've got everything you need  
Under your thick skin  
I know where you're going  
I know where you've been  
When it comes to playin' games  
You will always win o

C'mon, c'mon c'mon  
Break my heart again  
For old times sake  
C'mon, c'mon c'mon  
Break my heart again  
For old times sake o  
You can't see your shadow  
Reaching for the sky  
Lay your head down on my bed  
Please don't ask me why  
Why am I leaving  
Why don't I know  
Something deep inside me  
Is forcing me to go  
You say you need me  
But you can't tell me no  
When I ask you to stop me baby  
You just let me go

You took the best of me  
And threw it away  
Too bad the rest of me  
Still wants you to stay  
Want you to stay  
You say you need me  
But you can't tell me no  
When I ask you to stop me baby  
You just let me go  
You just let me go

C'mon, c'mon c'mon  
Break my heart again  
For old times sake  
C'mon, c'mon c'mon  
Break my heart again  
For old times sake o  
You can't see your shadow  
Reaching for the sky  
Lay your head down on my bed  
Please don't ask me why  
Why am I leaving  
Why don't I know  
Something deep inside me  
Is forcing me to go  
You say you need me  
But you can't tell me no

When I ask you to stop me baby  
You just let me go
